

SHINZEN's 75th SURPRISE BIRTHDAY PARTY

00:00:00 I'm going to show you these.
00:00:07 You're going to see some people that you haven't seen.
00:00:16 I see.
00:00:17 Oh my God.
00:00:18 I mean, wow, from this far?
00:00:32 Okay, well, I'll try to process all this.
00:00:40 Thank you for showing up and for what you do.
00:00:48 What can I say?
00:00:50 Does this mean we're not doing the training?
00:00:57 Something else is happening.
00:01:00 There was no training.
00:01:02 It is all about your 75th birthday.
00:01:06 That's self-righting.
00:01:08 I'm off the hook then.
00:01:10 So what about these facilitators?
00:01:13 Okay, well, here we go.
00:01:24 It was a ruse.
00:01:25 Yeah.
00:01:26 You know what?
00:01:28 In the back of my mind, I had a little...
00:01:31 No, he did.
00:01:33 Yes, he did.
00:01:35 Well, because it's a big number and it's been known to happen.
00:01:43 So anyway, but then when we came up here for lunch,
00:01:49 there was not this.
00:01:51 So I thought, oh, okay, good.
00:01:55 My life will be simple.
00:01:58 So it worked in the sense that no, I didn't expect it.
00:02:05 But it's great to see you all and get to know each other.
00:02:09 Not all of you know each other.
00:02:11 You come from all sorts of places and periods and whatever.
00:02:18 Some people here really go back.
00:02:21 Yeah.
00:02:28 It's like talk to people.
00:02:30 Yeah, I wish everyone could see.
